<sup>1</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

<sup>2</sup> Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

<sup>3</sup> Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

#### **Director Appointment and Election**

Before appointing a Director, or putting forward to shareholders a Director for appointment, the Consolidated Entity undertakes comprehensive reference checks that cover elements such as the person's character, experience, employment history, qualifications, criminal history, bankruptcy history, and disqualified officer status.

An election of Directors is held each year. A Director that has been appointed during the year must stand for election at the next Annual General Meeting (**AGM**). No Director except the Managing Director may hold office for a period in excess of 3 years, or beyond the third annual general meeting (**AGM**) following the Director's election, whichever is the longer, without submitting himself or herself for re-election. One third of all Directors, except the Managing Director, will retire by rotation each year but may offer themselves for re-election for a further 3-year period.

The Consolidated Entity provides to shareholders for their consideration information about each candidate standing for election or re-election as a Director that the Board considers necessary for shareholders to make a fully informed decision. Whilst the Company is not subject to the provisions of The Workplace Gender Equality Act, in that it employs less than 100 employees, it does recognise the importance of diversity within the workplace.

The diversity policy aims to provide a work environment where employees have equal access to career opportunities, training and benefits. It also aims to ensure that employees are treated with fairness and respect, and are not judged by unlawful or irrelevant reference to gender, age, ethnicity, race, cultural background, disability, religion, sexual orientation or caring responsibilities. This commitment enables the Consolidated Entity to attract and retain employees with the best skills and abilities.

The Company is a small business enterprise with less than 30 personnel overall (inclusive of the Board). The use of an external facilitator may be utilised periodically to assist in the review process. The review for the current financial year ended on 30 June 2021 are performed by the Chairman. ### **Composition of the Board**

The Board assesses annually the independence of each Director to ensure that those designated as independent do not have any alliance to the interests of Management, substantial shareholders or other relevant stakeholders. They must be free of any interest, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect, their capacity to bring an independent judgment to bear on issues before the Board and to act in the best interests of the Consolidated Entity and its security holders generally.
